FACT SHEET

eigoMANGA is an independent comic book publishing company, developing, producing and marketing original manga (Japanese-influenced comic books). eigoMANGA is also expanding into an integrated media company engaging in video/television programming, brand/anime-themed live events and the sale of branded consumer products.

Comic Book Publication:

- **RUMBLE PAK** is a monthly anthology comic book series portraying original manga(Japanese influenced) stories created by American artists.
- **SAKURA PAKK** is a bi-monthly anthology graphic novel series featuring original manga stories geared towards female comic book readers.

eigoMANGA's comic book publications currently have a circulation rate of 10,000 copies sold to comic book retailers, Barnes & Nobles, Tower Records, Media Play, Chapters, Hastings, and Independent Newsstand & Bookstores throughout North America.

Television Programming:

- **ANIME MIX** is a weekly anime news magazine television program that incorporates a variety of topics targeting the anime/manga industry in the US by providing the latest in unbiased anime news, live event coverage, and exclusive interviews with leading industry professionals.
- **Pop Japan TV** is a Japanese music program featuring New & Premium video clips and footages. Pop Japan TV is a co-production collaboration with Sony Music Japan.

eigoMANGA's television programming currently airs to 13,000,000 households nationwide every week on the U-Network. In addition to this, starting January 2005 eigoMANGA's television programming will be syndicated in 10 countries.

Distribution:

- eigoMANGA partners with John McLean Media to represent and distribute eigoMANGA's television programming to television companies.
- eigoMANGA partners with Diamond Comic Distributors, FM International, and Source Interlink to distribute our publications.

Sponsorship/Advertisement:

- eigoMANGA partners with Pop Comics, Inc. to sell advertising and sponsorship opportunities for eigoMANGA's television programming, comic book publication, and live events.
