

eigoMANGA's 2007 Comic Book Development Projects

Bleed 1.0

- Created by Carlo Borromeo and Vinson Ngo
- The meta-organic robot guardian beast referred by the name of “Bleed”, is protecting an innocent yet mysterious little girl name Ginger. Ginger is targeted by intergalactic assassins because she may have a cosmic bomb activated inside her body.

The Frog Princess

- Created by Jeff Loew
- Marine Biologist, Larissa Talcott is torn between a renewed love interest relationship with attorney, Brian Liam. Brian's law firm is representing a company plotting to renovate a local pond into commercial property. Larissa is driven to stop them in order to protect the ecosystem that inhabits the pond; she is given the nick-name "Frog Princess" by her friends and colleagues. Will Brian and Larissa compromise their opposing beliefs for the sake of their relationship?

God Drug

- Created by Stephen L. Antczak
- The C.I.A. subjected a group of low-ranking marines with experimental LSD-like hallucinogen. The experiments failed and created a being with destructive psychic abilities who was driven insane after being held in cryo-stasis for over 30 years.

Mad Beanz

- Created by David Kolodny-Nagy
- Wanna be pop star, Pandora unleashes an jar of experimental beans to the world. The malicious beans have the ability to control people's minds. Mad Beanz is an action comedy comic that satirizes pop culture.

MonsteRock Band

- Created by Susan Ching
- In the near-future a series of earthquakes physically fragmented parts of China to form an independent autocratic nation-city called New Hong Kong. New Hong Kong relied on technology and no longer needed human labor for public service which formed a stress-free yet underachieving society. Eventually this led to a rise in discontent and restlessness by the nation-city's youth. MonsteRock Band is about a story about a group of troubled teenagers with pent-up frustration and living their lives on the edge in their journey to find themselves.

Mid Summer's Dream

- Created by Silvia Gunarso
- A story about the life experiences of Alice, a high school fortune teller, also known to her friends as the "Goddess of Love". Despite ostracism from her classmates, she uses her fortune telling gifts for those in need... but she's too afraid to use them for her own needs.

The Monkey Tale

- Created by Myung Hee Kim
- An American teenager discovers that he's the missing piece and the re-incarnation of a living weapon created to prevent the rise of an ancient demon warlord. In order to follow his fate, he must take responsibility for crimes caused by his past life

The Movement

- Created by Jeremy Ma
- A story that's a battle between science and magic... where science must overcome magic. The main character (Troy) is heir to a giant mechanized war machine. But Troy doesn't fully believe in science yet and thinks that his people should learn the magic arts. But when Troy's father is assassinated he realizes what his true destiny. He embraces it and becomes an iconic leader. Along the way, Troy falls in love with a girl Meiling who has a mysterious past. She is revealed to be one of the "magic" assassins. In the end, Troy dies in battle but the child that he has with Meiling will lead the new revolution.

Music Box

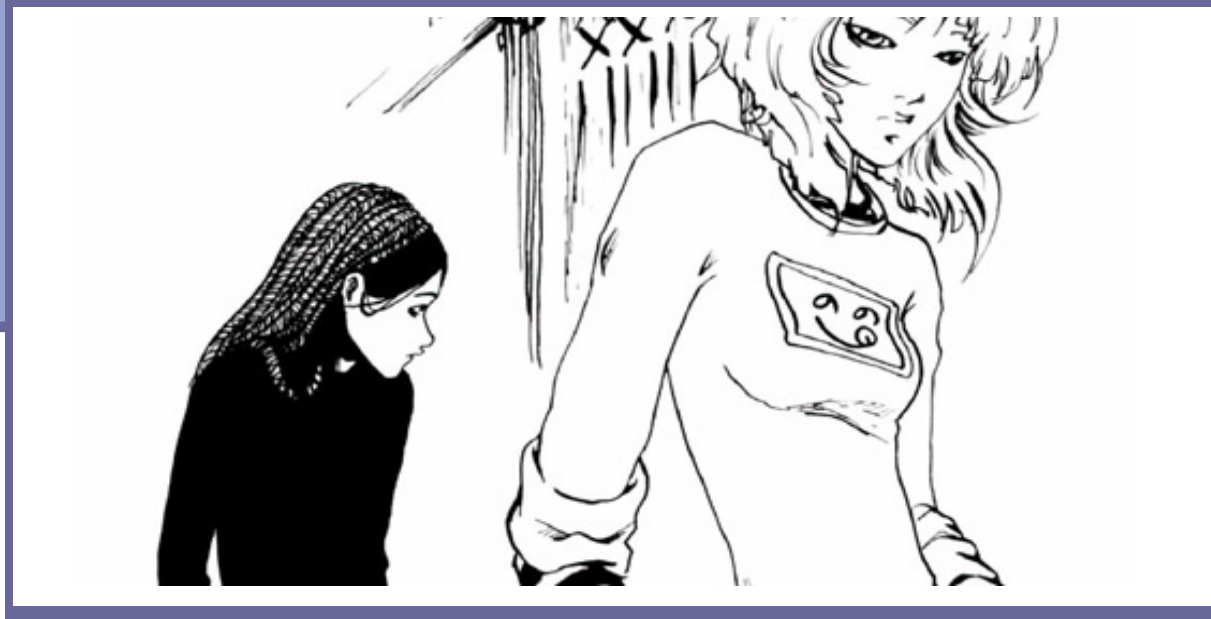

- Created by Chika Ishiakawa
- A coming of age story of a Japanese teenage girl and her high school rock band.

The PowerCrest Saga

- Created by Giovanni Hernandez
- The world's greatest fighters have been invited to a martial arts tournament held on a mysterious island owned by a reclusive billionaire. The tournament serves as a cover to use the fighters' powers to uncover a gem that contains destructive energy hidden within the island. Five super-powered teenagers from the same dojo who took differing paths toward martial arts all find themselves at the mercy of the billionaire and his army of super-powered martial arts fighters should they decide to oppose him.

Short Trip

- Created by Rob McPherson
- Super Powered Kung Fu Little Red Ridding Hood! Join Mail and Let-Let, the youngest members of Okuru-Ro fighting temple in the misty inland of the Middle Kingdom, as they have their first (and perhaps last...) adventure!!! Furious fighting, deadly frogs, and the almighty allure of FIGHTING SOUP!!!

Your Half

- Created by Taras Tymczyna
- Set in present day suburbia, Melissa "Liss" Ogilvie was offered by her romantic interest Kurt, to be his partner in his plans for violent global domination. Instead of accepting the offer, she took the hard suit Kurt designed for her, promised to ruin all his efforts, and abandoned him. The series concentrates on the battle between Liss and Kurt as well as the complications they experience in their dealings with personal relationships and love.

Twin Tenshi

- Created by Ai & Tenshi
- Two young girls are swept into the center of the Japanese mafia. Ai, is the fiancé of the boss of Yami no Rengou. She's jaded girl searching for answers about the mysteries of her tragic past. She meets Senshi, the powerful and capable left hand girl of the boss of Chi no Kyuuten. An unbreakable trust bonds them together, along with the trusted guys by their sides. Their lives and destinies are intertwined as if by fate, and together they venture into dangerous territory and throw themselves into blazing fire, preparing to battle with their lives for their truths and future.
